NEWS LETTER 2022

January 6, 2022

Hello fellow members.

We are sending out this letter to update everyone on what's been happening with Dog Ridge WSC.

Currently the techs have been working on completion of winterizing our pump stations and all priority items needing attention during this time of year. Hopefully this year we won't have a problem with water running out if we come under a hard freeze. The George Wilson Rd. line upgrade has been completed and is functioning as it should be, thank you to B-Corp, our engineers, our techs and all involved in making that possible. Currently we are having one of our engineering firms do a system wide evaluation and analysis of our water lines, water capacity and infrastructure as to make recommendations and for future improvements needed.

At this time, Dog Ridge is experiencing growth in several areas of our CCN. New housing and subdivisions all need water and we need to be able to service them without causing interruptions to existing members. Dog Ridge is constantly working on and looking for ways to improve service to our members. If you have any suggestions for improvement, please don't hesitate to let us know.

WE ARE CURRENTLY ACCEPTING APPLICATIONS FOR POSITIONS ON THE BOARD OF DIRECTORS UNTIL JANUARY 28, 2022. PLEASE UNDERSTAND THAT BY ACCEPTING TO BE ON THE BOARD, YOU WILL BE REQUIRED TO ATTEND ALL MEETINGS. YOU WILL ALSO NEED TO, AT TIMES, ATTEND MEETINGS WITH ENGINEERS, DEVELOPERS AND OTHER PERSONEL AS NEEDED. YOU WILL BE MAKING DECISIONS THAT AFFECT THE ENTIRE DRWSC SYSTEM AND ITS MEMBERS.

THANK YOU,

MAURO CORTEZ
PRESIDENT, DRWSC
